

New Options for Nursery/Preschool serving morning and evening services

We have been listening to the questions, concerns, and ideas of all of the parents of our Wee Ones. We are making some changes starting December 2017 based on those conversations. Serving in our Wee Ones will now be optional, not mandatory.

You will have the following choices for access to the nursery/preschool instruction and care while you are at church service.

- 1. Each parent serves twice every three months (reporting at 8:30 and 10:00 and 5:30 for volunteering):**
 - a. Your children will be **guaranteed** a spot each Sunday for the year **until 8:55 a.m. for first service and 10:25 a.m. for second service and 5:55 for Sunday night service**
- 2. You can choose not to serve in the nursery/preschool:**
 - a. We will take as many kids as we have room for starting at 8:55 for first service and 10:25 for second service and 5:55 for Sunday night service.
 - b. You will sign in on a sheet in the order you arrive and we will admit as many kids as we can in that order.
 - c. You may have to take your children to worship if we do not have room.

Please continue reading.....With these choices there will be a few other changes.

1. The nursery will not open until 8:45 am, 10:15 am, and 5:45 pm with no exceptions. This is so we can have all of our volunteers and caregivers ready to accept kids right away at these times.
2. All guests will be given a spot. We will fill rooms leaving 2 spots open for guest in all rooms.
3. You will sign your kids in, out in the South hall on their sheets as you arrive. Either on the room sheets if you chose options 1 for access or the waiting list for those who chose option 2.
